CONSENT TO PROCESS PERSONAL INFORMATION

1. GENERAL PROVISIONS

1.1. This Consent to Process Personal Information (hereinafter referred to as the "Consent") is provided by the user (hereinafter referred to as the "Data Subject") to TAI Capital FZE LLC (hereinafter referred to as the "Company").

1.2. This Consent is granted in accordance with applicable data protection laws of the United Arab Emirates, including the UAE Federal Decree-Law No. 45 of 2021 on the Protection of Personal Data.

1.3. By accessing, browsing, or using the Company's website, applications, or services, the Data Subject confirms that they have read and understood this Consent and agree to the processing of their Personal Data under the terms set forth herein.

2. SCOPE OF CONSENT

2.1. The Data Subject grants the Company consent to collect, record, store, use, transmit, and otherwise process their Personal Data.

2.2. This Consent applies to Personal Data provided directly by the Data Subject as well as data automatically collected through the use of the Company's website and services.

3. CATEGORIES OF PERSONAL INFORMATION

3.1. The Personal Data subject to processing under this Consent may include:

3.1.1. identification data, including name and username;

3.1.2. contact data, including email address and phone number;

3.1.3. technical data, including IP address, browser type, device information, and cookies;

3.1.4. usage data related to interaction with the Company's website and services;

3.1.5. location data, including approximate or precise geolocation where applicable;

3.1.6. any other data voluntarily provided by the Data Subject.

4. PURPOSES OF PROCESSING

4.1. Personal Data is processed for the following purposes:

4.1.1. providing access to the Company's website, platforms, and services;

4.1.2. ensuring proper functioning, security, and administration of systems;

4.1.3. improving user experience and optimizing website performance;

4.1.4. communication with users, including responding to inquiries and providing support;

4.1.5. compliance with legal obligations;

4.1.6. analytics, monitoring, and development of IoT and telematics services.

5. METHODS OF CONSENT

5.1. The Data Subject provides consent through one or more of the following actions:

5.1.1. clicking "Accept", "Agree", or a similar confirmation button on the website;

5.1.2. continuing to use the website or services after being presented with this Consent;

5.1.3. submitting forms or providing Personal Data through the website or applications.

6. WITHDRAWAL OF CONSENT

6.1. The Data Subject has the right to withdraw this Consent at any time by contacting the Company using the contact details provided on the website.

6.2. Withdrawal of Consent shall not affect the lawfulness of processing carried out prior to such withdrawal.

7. VALIDITY OF CONSENT

7.1. This Consent shall remain valid from the moment it is provided and for the duration necessary to achieve the purposes of processing, unless withdrawn earlier by the Data Subject.

8. FINAL PROVISIONS

8.1. This Consent shall be governed by and interpreted in accordance with the laws of the United Arab Emirates.

8.2. The Company reserves the right to update this Consent. The updated version shall be published on the Company’s website.
